SPLASH ARRESTOR SAFETY SPRAY SHIELD INSTALLATION INSTRUCTIONS

Type A Shield Components:

****We recommend using gloves during the installation****

Step 1: Remove the Spray Shield from the box and loosen the latch by turning the wing nut counter clockwise.

Step 2: Wrap the Spray Shield around the flange with the mesh liner down and attach the latch to the catch plate. Start with the center slot and adjust if necessary.

Step 3: Pull back the latch and tighten it by turning the wing nut clockwise until fully secured and locked.

Installation Complete and Ready for Operation
